SOLA

A SOFT LANDING SPACE

NEURODIVERGENT
EDUCATION & COMMUNITY

THE COMMUNITY WE'RE BUILDING

These are the values we commit to as founding members of SOLA. They reflect the kind of environment we want to cultivate—one where real learning, real connection, and real change can happen.

SOLA is more than a place we attend—it's a culture we create together.

These values guide how we show up, connect, learn, and grow as a community.

When we live these values, we create a space where everyone can feel safe, supported, and free to be themselves.

1 WE SHOW UP AS WE ARE.

We come just as we are—on our good days, hard days, and everything in between.
Presence matters more than perfection.

2 WE MAKE ROOM FOR EVERY VOICE.

We create space for everyone to be heard and valued.
Every perspective adds something important.

3 WE LEAD WITH CURIOSITY.

We ask questions.
We stay open to new ideas.
We approach ourselves and others with wonder, not judgment.

4 WE HONOR DIFFERENT WAYS OF LEARNING.

There is no one right path.
We respect different needs, strengths, and learning styles.
Flexibility helps us all grow.

5 WE BUILD TRUST TOGETHER.

What is shared here stays here.
We protect the privacy and dignity of every member.
Trust is how we create safety.

6 WE SHARE EXPERIENCES WITH CARE.

We speak from our own experiences and honor the experiences of others.
Our stories can connect, empower, and inspire.

7 WE CELEBRATE PROGRESS, NOT PERFECTION.

Small steps matter.
Growth looks different for everyone.
We celebrate effort, learning, and movement forward.

8 WE LEARN WITH ONE ANOTHER.

We all bring something to teach and something to learn.
Together, we're smarter, stronger, and more supported.

9 WE PRACTICE REPAIR WHEN NEEDED.

We're human.
We will make mistakes.
We choose accountability, kindness, and repair over perfection.

10 WE LEAVE PEOPLE WITH MORE HOPE THAN SHAME.

We offer encouragement.
We uplift each other.
Our words and actions should make this a softer place to land.

These values are not about being perfect.
They're about creating a space where real learning, real connection, and real change can happen—together.

WELCOME TO SOLA.
